Welcome Message

Dear Colleagues,

It is our great pleasure to welcome you to the 2nd Dubai Shoulder Course, the pioneer in Middle East event for the shoulder surgery to be held on April 19th – 21st, 2018 in Dubai, The United Arab Emirates.

This three day course focuses on bringing together the expert faculty including their known best practices, latest technological advances, and new evidence-based research related to shoulder care. The course aims to provide strategies that will equip physicians to provide the highest level of analytical, diagnostic, and treatment practice modalities specific to shoulder arthroscopy, arthroplasty, fracture management, and complex shoulder etiologies.

Expert faculty will also supervise the cadaveric surgery sessions to help train physicians in the latest clinical modalities in shoulder arthroscopy.

Physicians will benefit directly from the following formats of educational interaction.

We look forward to welcoming you to the 2nd Dubai Shoulder Course!

Sincerely,

Ali Al Suwaidi, M.D.
