COURSE OVERVIEW

MESSAGE FROM THE COURSE COMMITTEE,

Course Overview

In light of the great success which were the previous Dubai Shoulder chapters, it was an honour and a privilege to organize the **4th Dubai Shoulder Course & Exhibition**. The course was held from the **21st to 23rd of October, 2022** in **Raffles Dubai Hotel, United Arab Emirates**.

Accredited by

Dubai Health Authority

Endorsed by

International Congress of Joint Reconstruction Middle East (ICJR ME)

Iranian Orthopaedic Association

Jordan Orthopaedic Association

Jordanian Group of Sport Injuries and Arthroscopic Surgeries

Orthopaedic Society of Oman

Complex Joint Management Conference & Exhibition (CJM)

The course was rich with an outstanding group of high-profile speakers and world-leading orthopaedic surgeons from across the globe. The scientific agenda covered a wide range of exciting topics within the various fields of orthopaedic medicine; attracting a high number of delegates greatly benefited from the scientific material and information the course had to offer.

The **4th DSC** was home to a variety of educational platforms including lectures, panel discussions, refresher courses, physiotherapy courses and industry symposia; all curated in an effort to keep professionals in academia and industry current with recent research and rapid developments in the field.

Amongst the attendees, the course was an exceptional networking and knowledge-exchange opportunity. Topics such as sport medicine, joint replacement and orthopaedic surgery practises were some of the more popular talking points in the social circles of attendees. Such gathering of experts under the course's roof ensured an unmatched and unmissable networking opportunity for all attendees.

We would like to express our sincere appreciation to all participants, sponsors, exhibitors, supporting organizations and committee members who made this course a success.

Finally, we would like to invite you to join us for the next edition of the **DSC** from the **25th to 27th of October, 2024**.

Sincerely,

Dr. Ali Al Suwaidi
Course Co-Chairman

Dr. Saeed Al Thani
Course Co-Chairman

Dr. Usama H. Saleh
Course Co-Chairman

PROGRAM HIGHLIGHTS

The course concluded with participation from **23 Countries** and a total of **479 Attendees** registered.

The Dubai Shoulder Scientific Program offered **27 Sessions, 69 Lecture Topics, 2 Industry Symposia** given by **32 Physical & 4 Virtual Faculty Members** from **14 Countries** who contributed over the 3-day program.

The Physiotherapy Scientific Program offered **4 Sessions, 14 Lecture Topic** followed by **1 Practical Session** given by **4 Physiotherapy Faculty Members** coming from Italy who contributed over the second day for a full day.

Course Learning Objectives

- Obtain critical updates on new technology, products and procedures.
- Network with orthopaedic physicians and experts from across the country and around the world.
- Evaluate a range of state-of-the-art products for clinical use.
- Promote orthopaedic knowledge of new specialty areas and related fields.
- Review research findings that impact orthopaedic medicine practices via case discussions sessions.
- Coverage of basic orthopaedic medicine practices to new practitioners.

Course Highlights

- Basics and current updates in shoulder surgery including Arthroscopy, Arthroplasty and Shoulder Trauma.
- Distinguished panel of leading experts and faculty from the field.
- Live Surgery Sessions
- Cadavric Workshops
- Research Workshops
- Physiotherapy Course

The 3-day course targeted participation from the following areas of practice: **Shoulder Ultrasound Course**

Course Highlights

- Orthopaedic Surgeons
- Trauma Surgeons
- Sports Medicine Doctors
- Physiotherapists
- Orthopaedic residents
- Emergency Medicine Doctors
- Nurses
- Technicians
- Pain Therapists
- Medical Students
- Shoulder Ultrasound Course

Course Topics

- Analytical, diagnostic and treatment practice modalities specific to shoulder arthroscopy.
- Arthroplasty
- Fracture management
- Complex shoulder etiologies
- Prosthetic surgery

The course envisioned the following benefits for the participants through this program

- Earn **18 CME hours** by the **Dubai Health Authority (DHA)**.
- Meet & learn from an outstanding group of high-profile international speakers covering a wide range of exciting topics in the latest researches & updates on rapid developments occurring in the field of orthopaedic medicine.
- Discover the latest technologies in the field and their applications.
- Network, meet and build relationships with your peers and colleagues.
- Participate in various comprehensive informative sessions.

EVENT VENUE & ACCOMMODATION

Course Venue

A part of Dubai, Raffles Dubai is a 5-star luxury hotel that embodies an oasis of calm and charm with an incredible sense of space, service and unforgettable style.

A surprising, chic merging of Asian style with an Egyptian aesthetic, Raffles Dubai is perfectly positioned in the heart of the city, delivering the unexpected luxury of space, impeccable service and sophisticated style. Loved by travellers for the warmth of its service and the sophistication of the aesthetic, Raffles Dubai offers some of the most spacious rooms in the city - generously proportioned, sumptuously appointed and blessed with a uniquely Raffles sensibility. With their walk-in showers, sitting areas and balconies the rooms are like suites; and the suites are ... extraordinary. At night, the views from your private balcony stretch out forever.

With a choice of seven exceptional restaurants and bars, as well a myriad of restaurants in Wafi, Raffles Dubai is the ultimate destination from which to explore Dubai's amazing boutiques, shops and souks.

This iconic architectural gem is beautifully positioned close to the magnificent Khan Murjan souk, Dubai International Airport and convention centers. Guests are also close to Dubai International Financial Centre, Dubai World Trade Centre and Exhibition Halls - and just a short hop to the sea, sand and sunbathing off the coast.

Surrounded by lush private gardens, Raffles offers space to live, breathe and express yourself in unique style. An outdoor pool, a state-of-the-art gym, the exceptional Raffles Spa - with six treatment rooms including a couple's suite - and the exclusive Raffles Garden to complete the picture.

Surprising, delightful, delicious - and promising an incredible sense of space, service and unforgettable style - this destination hotel is an oasis of calm and charm for those for whom life is always an adventure.

COURSE INAUGURATION & WELCOME REMARKS CEREMONY

The inaugural speech was delivered by the Course Co-Chairmen (**Dr. Ali Al Suwaidi, Dr. Saeed Al Thani & Dr. Usama H. Saleh**)

Dr. Usama H. Saleh

Course Co-Chairman Orthopedic and Trauma Surgeon Medcare Orthopaedic & Spine Hospital Shoulder, Elbow & Knee Surgeon Dubai, United Arab Emirates

Dr. Ali Al Suwaidi

I am pleased to welcome you to 4th edition of the Dubai Shoulder Course.

Our goal in this course is to present and discuss the latest treatments of shoulder instability, in addition to reviewing the latest innovations and scientific research made worldwide during the past year.

In addition to this, the course represents a platform during which our physicians with their counterparts from all over the world, meet and attend lectures in subspecialties that benefit all participants, where the latest medical equipment and devices are presented in the sponsoring companies pavilion.

Dr. Saeed Al Thani

The topics that the course will focus on this year are:

- Basics and current updates in shoulder surgery including Arthroscopy, Arthroplasty and Shoulder Trauma, in addition to the methods of dealing with complications that may arise after undertaking such surgeries.
- How to treat and what to expect during the Shoulder injuries in professional athletes
- Distinguished panel of leading experts and faculty from the field
- Discuss developments in treatment of shoulder injuries. The discussion will also address methods of dealing with failure of anterior cruciate ligament reconstructive surgery.
- A full day has been allocated for Cadaveric Workshop to do a physical demonstration on Shoulder Anatomy, Rotator Cuff and Frozen Shoulder. Therefore, international experts hosted in this specialization will shed light on to the understanding and management of the same.
- Furthermore, half a day was devoted to discussing Osteoarthritis, since such diseases are very common in the UAE. On this day, Knee Arthritis and Osteoarthritis will be addressed as well as the latest findings of modern science in terms of treatments and reconstructive or joints replacement surgeries, while shedding light on the use of robots to improve performance in such surgeries.

Dr. Usama H. Saleh

The Emirates Orthopedics society exerts a great effort in attracting international experts to provide an opportunity for physicians with their counterparts from neighbouring countries to exchange experiences and knowledge related to shoulder and discuss new and controversial treatments.

I would like my fellow physicians to take advantage of this valuable opportunity and commit themselves to attending lectures, then reviewing and updating the methods of treatment followed in their workplace in a way that will benefit their patients.

I would like also to urge them to visit the sponsoring company's pavilions and check the latest medical equipment and devices.

Lastly, the opening ceremony was concluded with the inauguration of the Exhibition Area by the guests of honour and the congress committee.

SPONSORS & PARTNERS

Diamond Sponsor

AMICO Group

As a leading medical device provider in the MENA region, AMICO Group's mission transcends beyond the horizon of mere product offerings or trade services. Working proactively with our strategic partners, we constantly aim to elevate the building blocks of our services as a consummately specialized total solution provider.

At AMICO Group, we have comprehensive knowledge of the Middle East markets, the emerging industry trends, economic changes and cultural diversity throughout the region. 'Think globally, act locally' is an accurate representation of our corporate culture. Local challenges will require local solutions, however, without access to global resources the local solutions may well be a compromise. If highly specialized services are readily available in one country, yet unavailable in another, or if financing is of a shortage in a certain country, supportive solutions may be obtained from our corporate center.

ACCREDITATION

CME/CPD Accreditation

The 4th Dubai Shoulder Course & Exhibition (4th DSC) was accredited with 18 CME/CPD Credit Hours by Dubai Health Authority (DHA).

SCIENTIFIC PROGRAM

The course program began on **21 October 2022** for three days.

The program was conducted in **1** main hall over the course of the **3**-day course and **1** Wet lab or the Cadaveric Course

Following Topics were the highlights of the course:

- Analytical, diagnostic and treatment practice modalities specific to shoulder arthroscopy.
- Arthroplasty
- Fracture management
- Complex shoulder etiologies
- Prosthetic surgery
- Shoulder Ultrasound Course

DUBAI SHOULDER AGENDA

Day 1	Raffles Ballroom B	Friday, 21 October 2022
08:00 - 09:00	Registration	
09:00 - 10:00	Session 1 Updates on Anterior Shoulder Instability 1 Moderators: Ali Al Suwaidi - Abdulilah Hachem	
09:00 - 09:10	Perfect set-up for a perfect surgery	Alessandro Castagna
09:10 - 09:20	First-time dislocations, updates for 2022	Saeed Al Thani
09:20 - 09:30	5 tips and tricks to perfect your arthroscopic anterior Bankart repair	Abdullah Alzahrani
09:30 - 09:40	Bony Bankart repair, technical tips and tricks	Hasan Baydoun
09:40 - 10:00	Question & Answer	
10:00 - 10:50	Session 2 Updates on Anterior Shoulder Instability 2 Moderators: Hasan Baydoun - Alessandro Castagna	
10:00 - 10:10	Subcritical bone loss, what does it mean and how to manage it	Abdulilah Hachem
10:10 - 10:20	Should all our patients get a Hill-Sachs remplissage ?	Duncan Tennent
10:20 - 10:30	Hill-Sachs remplissage - my preferred method	Murat Bozkurt
10:30 - 10:40	Dynamic anterior stabilization	Phillippe Collin
10:40 - 10:50	Question & Answer	
	 Coffee Break	
11:10 - 11:40	Session 3 Keynote Lecture: Failed Arthroscopic Bankart, Causes and Management	Alessandro Castagna
11:40 - 12:30	Session 4 Updates on Posterior Shoulder Instability Moderators: Philippe Collin - Amr Elmaraghy	
11:40 - 11:50	Functional posterior shoulder instability - what is it and how do I manage it?	Philipp Moroder
11:50 - 12:00	Tips & tricks for arthroscopic posterior labral repair	Duncan Tennent
12:00 - 12:10	How I manage posterior glenoid bone loss	Laurent Lafosse
12:10 - 12:20	Chronic Locked posterior dislocation	Nagib Yurdi
12:20 - 12:30	Question & Answer	
12:30 - 13:00	INDUSTRY SESSION 1 Bipolar Boneless: BBC Metal-free Fixation	 Abdulilah Hachem
13:00 - 14:30	 Friday Prayer & Lunch Break	
14:30 - 15:10	Session 5 Panel Discussion, Shoulder Instability Moderator: Laurent Lafosse Panelist: Giovanni Di Giacomo, Amr Elmaraghy, Abdulilah Hachem Ali AlSuwaidi & Felix Savoie	
15:10 - 16:10	Session 6 Session 6: Live Surgery - Cuff Tear Arthropathy - Reverse Shoulder Replacement - Live transmission from Annecy - France Moderators: Ghassan Alami - Alessandro Castagna	 Thibault Lafosse
16:10 - 16:30	 Coffee Break	
16:30 - 17:30	Session 7 Relive Videos - Bone Block Stabilization Moderators: Jaber Alkhyeli - Alessandro Castagna	
16:30 - 16:40	Open Latarjet with one screw	Philippe Landreau
16:40 - 16:50	Open Latarjet with two screws	Amr Rashwan
16:50 - 17:00	Arthroscopic Latarjet with two screws	Laurent Lafosse
17:00 - 17:10	Arthroscopic Latarjet with Endobuttons	 Philippe Teissier
17:10 - 17:20	Arthroscopic bone block with no implants	Abdulilah Hachem
17:20 - 17:30	Question & Answer	
17:30 - 18:00	Session 8 Lecture - How to manage the failed Latarjet procedure? Tips & tricks to avoid failures Moderator: Philippe Landreau	Giovanni Di Giacomo
18:00	End of Day 1	

DUBAI SHOULDER AGENDA

Day 2

Raffles Ballroom B

Saturday, 22 October 2022

07:30 - 08:00	Registration	
08:00 - 08:20	Session 9 Shoulder injuries in professional athletes - how to treat and what to expect Moderator: Felix Savoie	Giovanni Di Giacomo
08:20 - 09:30	Session 10 Updates on Rotator Cuff Repair 1 Moderators: Duncan Tennent - Philippe Valenti	
08:20 - 08:30	Anatomy of the rotator cuff, revisited	Murat Bozkurt
08:30 - 08:40	How I classify rotator cuff tears and predict how well they do	Philippe Collin
08:40 - 08:50	Computed fatty infiltration measurement is the more reliable way!	Jean David Werthel
08:50 - 09:00	Tips and tricks to perfect your rotator cuff repair	Amr Elmaraghy
09:00 - 09:10	The economic aspect of rotator cuff repairs. Should we be concerned?	Alessandro Castagna
09:10 - 09:30	Question & Answer	
09:30 - 10:00	Session 11 KeyNote Lecture: Arthroscopic management of massive rotator cuff tears Moderator: Philippe Valenti	Felix Savoie
10:00 - 10:30	 Coffee Break	
10:30 - 11:10	Session 12 Updates on Rotator Cuff Repair 2 Moderators: Ziyad El Qirem - Jean David Werthel	
10:30 - 10:40	Biologic augmentation in rotator cuff repairs	Amr Elmaraghy
10:40 - 10:50	Superior capsule reconstruction - where are we currently?	Felix Savoie
10:50 - 11:00	Irreparable rotator cuff tears - how I manage them	Usama H. Saleh
11:00 - 11:10	Question & Answer	
11:10 - 11:40	Session 13 KeyNote Lecture: All about the subscapularis Moderator: Ips Oberoi	Laurent Lafosse
11:40 - 12:40	Session 14 Relive surgeries - Rotator cuff repairs - World Cup challenge Moderators: Ziyad El Qirem - Amr Elmaraghy	
11:40 - 11:50	How I repair the rotator cuff - USA team	Felix Savoie
11:50 - 12:00	How I repair the rotator cuff - Italy team	Alessandro Castagna
12:00 - 12:10	How I repair the rotator cuff - Egypt team	Ahmed Kandil
12:10 - 12:20	How I repair the rotator cuff - India team	IPS Oberoi
12:20 - 12:30	How I repair the rotator cuff - Jordan team	Ziyad El Qirem
12:30 - 12:40	Question & Answer	
12:40 - 13:10	INDUSTRY SESSION 2 Will be All sutures anchor in remplissage	 Hassan Baydoun Usama H. Saleh
13:10 - 14:30	 Lunch Break	
14:30 - 15:30	Session 15 Live Surgery - Arthroscopic Latarjet Moderator: Laurent Lafosse	 Philippe Teissier
15:30 - 16:00	Session 16 KeyNote Lecture: Latissimus dorsi or lower trapezius, when and how? Moderator: Jean David Werthel	Philippe Valenti
16:00 - 16:30	 Coffee Break	
16:30 - 17:20	Session 17 Soft tissue lesions around shoulder Moderators: Amr Rashwan - Alessandro Castagna	
16:30 - 16:40	Management of pectoralis major tears	Amr ElMaraghy
16:40 - 16:50	Management of latissimus dorsi tears	Felix Savoie
16:50 - 17:00	Management of long head of biceps tears	Ips Oberoi
17:00 - 17:10	Management of distal biceps tear	Felix Savoie
17:10 - 17:20	Question & Answer	
17:20	End of Day 2

DUBAI SHOULDER AGENDA

Day 3

Raffles Ballroom B

Sunday, 23 October 2022

07:30 - 08:00

Registration

08:00 - 08:55

Session
18

Glenoid Component - Anatomic Shoulder Replacement

Moderators: Mohammed Morsy - Philippe Valenti

08:00 - 08:10

When to perform anatomic shoulder replacement - is the window getting narrower?

Ghassan Alami

08:10 - 08:20

Hybrid glenoids

Olivier Verborgt

08:20 - 08:30

Augmented polyethylene glenoids

 Patrick Denard

08:30 - 08:40

Metal-back anatomic glenoids - will it revive the anatomic shoulder replacement?

Alessandro Castagna

08:40 - 08:55

Question & Answer

08:55 - 09:20

Session
19

Relive Videos - Subscapularis Management in Shoulder Replacement

Moderators: Ips Oberoi - Olivier Verborgt

08:55 - 09:02

Subscapularis tenotomy and direct repair

Laurent Lafosse

09:02 - 09:09

Subscapularis with bone chips and trans-osseus reinsertion

Jean-David Werthel

09:09 - 09:16

Subscapularis peeling and trans-osseus reinsertion

Naser Alnusif

09:16 - 09:20

Question & Answer

09:20 - 10:00

Session
20

Humeral Component - Anatomic Shoulder Replacement

Moderators: Naser Alnusif - Alessandro Castagna

09:20 - 09:30

Stemless is my preferred option

Laurent Lafosse

09:30 - 09:40

Convertible stemmed onlay remains my best option

Philippe Valenti

09:40 - 09:50

Convertible stemmed inlay system is the way to go

Jean-David Werthel

09:50 - 10:00

Question & Answer

10:00 - 10:30

Coffee Break

Shoulder Academy

The Shoulder Academy is a collaborative effort of a team of surgery and shoulder rehabilitation specialists with over ten years of experience.

The aim of our approach is to ensure the most effective integrated treatment for obtaining the best possible results for a patient's functional recovery.

Thanks to a continuing exchange of knowledge and expertise with the best teams on the international scene, today we are able to offer a highly specialized course that will provide skilled professionals with the best evaluation and treatment tools available for the rehabilitation of their patients.

Dubai Shoulder Academy Course

Welcome to the Dubai Shoulder Academy Course, which is dedicated to physiotherapists and open to anyone and everyone – orthopaedic surgeons, residents, fellows – with specific professional interest in the shoulder.

This one-day course will help you develop a comprehensive approach to shoulder pathology management and rehabilitation through a combination of lectures, presentation of challenging cases, and hands-on practice.

Event Detail Organizer

Event Details

4th Dubai Shoulder Course & Exhibition

It is our great pleasure to welcome you all to the 4th Dubai Shoulder Course & Exhibition – the pioneering event in the Middle East for shoulder surgery – to be held on 21-23 October 2022 in Dubai, United Arab Emirates.

This three-day course focuses on bringing together expert faculty who will share their best practices, latest technological advances, and new evidence-based research related to shoulder care. The course aims to demonstrate strategies that will enable physicians to provide the highest level of analytical, diagnostic, and treatment practice modalities specific to shoulder arthroscopy, arthroplasty, fracture management, and complex shoulder etiologies.

By Candlelight

Tributes to Queen, Vivaldi, Coldplay and many more.
